

# Thank you for downloading our gift template!

## What's the next step?

- 1** Write a personal message on it.
  - 2** Add the “secret” code that you received in the confirming email. Double check that the code number is correct to make sure that the person gifted gets the clothes of their own design.
  - 3** Hand over the gift.
- +** Extra idea: colour and decorate the cover page as you wish. You can fill it with stickers if you want.

If necessary, you can print other templates from the [www.dreamdrawdress.hu](http://www.dreamdrawdress.hu) website.
